HORSEBACK RIDING

Horseback riding is available as one of the regular camp activities at an additional cost of $50 per week. Please indicate on page 2 if you wish to have your son take riding instead of golf. Deerhorn campers of all ages are eligible. Campers who choose to ride will do horseback riding the entire session. They will not be allowed to split their time with golf.

ICE HOCKEY

An ice hockey program is available for any boys (first time through advanced skaters) who are enrolled during the **B two-week session.** The additional cost is $200.00. Equipment rental is also available. Please indicate on page 2 if your son will be participating. Goaltenders play at no charge.

FATHER/SON CAMP

This unique camp experience takes place twice each summer. It consists of a five-day, four-night camp. We accept boys as young as six.

FAMILY CAMP

This four-day, three-night adventure will begin our summer and will be run the same way as father/son camp. We accept children as young as six.

VOYAGER LEADERSHIP PROGRAM

The Voyager Leadership Program, initiated in 1990, is available only to boys 15 or 16. The trip will take place during the BC session. It includes an eight-day expedition of backpacking in the Porcupine Mountains in the Upper Peninsula of Michigan and sea kayaking around the Apostle Islands National Lakeshore on Lake Superior. It also includes leadership training prior to and during the trip. The size of the group is strictly limited to 24 and boys must be enrolled at Deerhorn for the BC session. The additional cost for this program is $600. Please indicate on page 2 if your son wishes to participate in this program.

LAKE SUPERIOR TRIP

All boys enrolled for the C session may elect to go on the Lake Superior trip - an optional two day motor trip at a cost of $90.00. Please indicate on page 2 if your son wishes to go on this trip. Capacity is limited.

EXPLORER PROGRAM

The Explorer Program is our answer to parent and camper requests for more leadership opportunities for veteran campers. This program is for 14 year old campers and will include group activities to foster team-building, and a three-day out of camp kayaking trip. One trip will take place during the A session, the other during D, and the additional cost is $110. There must be a minimum of 5 campers for this trip to take place, with a limit of 10, and priority is given to those who have been campers the longest. Please indicate on page 2 if your son wishes to participate in this program.

E SESSION (SPIKE BUCK CAMP)

This is a one week session for first time campers, ages 7-10. It takes place the last week of C session when our Voyagers are out of camp. E session campers will be able to get a feel for camp and experience all camp activities while only being away from home for one week.

TRIPS AWAY FROM CAMP

Campers staying two regular sessions may choose to go on **one** of the following trips away from camp at *no additional cost*: an overnight canoe trip, an overnight hiking trip, or a water park day trip. Campers staying three regular sessions will go on the water park trip and also have their choice between a canoe trip and a hiking trip. Campers staying all summer may go on all of the above trips of their choice. There are no trips offered for boys attending just one regular session.

OTHER INFORMATION

Each Deerhorn camper must have had a physical examination within the past year. A health history form will be sent to you to be filled out by you and your physician. **It is vital for this form to be filled out fully with insurance information, signatures of parents and your physician. It must be returned prior to your son's arrival at camp.**

The "Last Reminders" will be sent in May. The statements are sent in early April and full payment is required by May 1 in order to hold your son's reservation.

Deerhorn requires that campers leave valuable items such as cell phones, electronic equipment, and money at home. **No cell phones are permitted.** Deerhorn cannot assume responsibility for any loss of personal articles due to theft or carelessness of camper.

Equipment for all sports activities (excluding ice hockey and in-line skating) is provided by Deerhorn. Most boys prefer to have their own baseball glove and tennis racquet and it is suggested that they bring these. **PLEASE MARK YOUR SON'S NAME CLEARLY ON EVERY ITEM HE BRINGS TO CAMP.**

Campers from foreign countries do not need to bring bedding and linens. These will be provided by Deerhorn at no extra charge.

Deerhorn does not have any special visiting weekends. Instead, we invite and welcome parents to visit any time, but preferably not during the first week of a session. Please check in at the office. A list of recommended accommodations in and near Rhinelander will be included in the "Last Reminders."

Campers will use personal funds for stationery, stamps, film, and other supplies purchased in the camp store. Deerhorn asks that each camper be given a check, **written out to the camper**, to cover these expenses. We suggest $25 per week for the duration of his stay (example - $75 for a three-week camper). The balance in each boy's account will be mailed to his parents after he departs camp. **Campers wishing to purchase clothing while at camp or who are Voyagers need to bring additional funds.**
