

Camp Deerhorn Proudly Presents...

Family Camp

June, 2007

2006 was our inaugural year for Family Camp, and it was a smashing success. Any combination of family members is welcome. Come experience what boys have been raving about for years. Spend 4 days & 3 nights reliving childhood memories and making new ones with your family. Enjoy activities like horseback riding, swimming, water-skiing, sailing, tennis, arts & crafts, mountain biking, fishing, evening campfires, capture-the-flag, picnics on the beach, archery, and riflery. Or just enjoy the peace and quiet of relaxing with your kids on the beach. Children must be at least 6 years old. June 10-13th. \$360 per person or \$1000 per family.

Camp Deerhorn: It's not just for dads anymore.

Activities will run all day and families choose what they want to do. Meals are served family style in the lodge. Sleeping arrangements will be one family per cabin unless friends want to share. There is electricity in bathhouses, but not in cabins. All participants can expect to have some good, clean, outdoor, Northwoods, old-fashioned fun. Bring your swim suit and your sense of adventure.
