

ATTENTION IF YOUR CHILD TAKES ANY MEDICATION

Dear Parents,

Our record on safety is impeccable and we would like to keep it that way. With hundreds of campers and thousands of medications, even the most detailed, professional human healthcare team can make errors. That is why we are strongly recommending that every parent, of a child on medication, register to use CampRx.

Many camps have made this mandatory and we will consider that, after we obtain feedback from parents that use the system this summer.

CampRx has a pharmacy that seals your child's prescription and over the counter meds in individual doses that are each labeled with the many state requirements. Dose Strip Packaging makes medication administration much safer. It will cost you \$40.00 per camper for any length of camp and number of meds. (\$20.00 for one week campers) Please go to **Camprx.com** to register and find out more. After you have reviewed the program, feel free to call me at 1 800 713 3130 if you have further questions. We appreciate your attention to this very important part of keeping your child healthy and safe this summer.

Barbara Broadbridge, Director
Camp Deerhorn
